The Greenwich Country Club, Incorporated
19 and 25 Doubling Road, Greenwich, CT

Dear Rich,

We are in receipt of the comments you issued to Ms. DeLuca on November 16, 2022 with respect to the above-referenced project(s).

As owner of both 19 and 25 Doubling Road, Greenwich Country Club acknowledges that 25 Doubling Road is outside the Sewer Benefit Area and, accordingly, is currently serviced by a private septic system. 25 Doubling Road, as it exists today, has adequate sewage capacity with the current septic system and there is no current need nor intent to connect 25 Doubling Road to the Town's public system. Greenwich Country Club agrees with the conditions specified as outlined in the Sewer Division's November 16, 2022 comments.

Acknowledgement of the Sewer Division's comments does not waive any rights provided to property owners as provided pursuant to Section 269a of the Town Charter.

Very truly yours,

Keith Armstrong
