Cos Cob, CT 06807

To whom it may concern,

This is to acknowledge receipt of the Sewer Department comments dated 11/14/22 and that they have been read. I understand that failure to comply with these comments may result in delays in both Sewer and Building Permitting and that we assume any risk or impacts to their project schedule as a result of not complying with these requirements.

Thank you,

A handwritten signature in black ink that reads "Nancy DeLuca". The signature is written in a cursive style with a large, looped initial "N".
