

'TIS THE Season OF Giving

Give the gift of FUN to a child in need through the Greenwich Parks and Recreation Scholarship Fund!

The Greenwich Parks & Recreation Scholarship Fund provides Greenwich's youth access to recreational programs. Our scholarship program provides income eligible families exposure to positive experiences, and active lifestyles, as well as opportunities to gain and refine life skills through our recreational programs.

Our Scholarship Fund is completely supported through donations from local businesses, community service organizations, corporations, and individuals. 100% of the donations to this fund go directly to support scholarships for Greenwich's youth. We need your help to provide recreation opportunities to children who would not otherwise have the opportunity.

Consider a donation in honor of or in memory of a loved one or a gift in a loved one's name in lieu of sending a present.

The Parks and Recreation Foundation is a non-profit 509 (a) (1), and your donation is tax deductible.
