The 2024 Greenwich Town Competition will be conducted in accordance with the rules and regulations of U.S. Figure Skating, as set forth in the current rulebook, as well as any pertinent updates that have been posted on the U.S. Figure Skating Website.

ELIGIBILITY AND TEST REQUIREMENTS

The Greenwich Town Competition is open to all eligible, restricted, reinstated, or readmitted persons as defined by the Eligibility Rules, and who are currently registered members of Learn to Skate USA, a registered member of a U.S. Figure skating member club, a collegiate club or who is an individual member in accordance with the current rulebook. Please refer to the current rulebook for non-U.S. citizens.

Eligibility will be based on skill level as of closing date of entries. For Snowplow Sam through Basic 6 events, all skaters must skate at highest level passed or one level higher and NO official U.S. Figure skating tests may have been passed, including Moves in the Field or individual dances. Skaters may not compete at more than one level in the same type of event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee (LOC) discovers that a skater has been placed in a category that is below his/her class level, the chair and referee will have the option to move the skater into the proper division, even if it is the day of the competition. This will ensure that every event is as fair as possible to the competitors.

Coaches, it is an ethical violation to have skaters compete below their highest level passed.
