

## MILBROOK AND NORTH MIANUS SEWER PROJECTS - TOWN OF GREENWICH, CT

The following list of contractors is provided for your information and convenience. For gravity connections, you may use other contractors provided they have a P1 or P7 plumbing license.

\*Grinder Pump Installation: If you have a low pressure sewer connection you will need to have a grinder pump installed. As the Town is responsible for their maintenance, for quality control purposes only Contractors that have been properly trained can install grinder pumps.
