invites you to...

The “Dirt” on Food Supply: Promoting Healthy Soil for a Sustainable Environment

Featured Speaker: Mr. Dave White

*Former Chief USDA Natural Resource Conservation Service
Co-founder and Partner, 9b Group*

Tuesday, November 17, 2015

7:00 pm to 9:00 pm

Greenwich Library's Cole Auditorium

The UN has declared 2015 “The International Year of the Soil” with the goal of raising awareness about the importance of soil to human life.
