All petitioners shall give their respective business and residence addresses, and the location of any property owned by them in the Town of Greenwich. When more than one person signs a petition, one of them shall be designated on the petition as the representative for the group.
3. Each application shall include: map, letter of explanation, reasons for rezoning, proposed uses, and notification to neighbors.

Each petition shall be accompanied by filing fees. Checks or money orders should be made payable to the Town of Greenwich, Connecticut.

4. Petitions shall include maps showing the proposed changes drawn at the same scale as the Official Building Zone Regulation Map which is at a scale of 400 feet to the inch and copies of which are on file in the office of the Town Clerk and the Planning and Zoning Commission.
5. Petitions shall describe the changes that are proposed and shall give the petitioner's reasons for proposing the changes. Since zoning law requires that zoning regulations shall be made with "reasonable consideration as to the character of the district and its peculiar suitability for particular uses," in giving their reasons petitioners shall discuss this point and show how the proposed changes would be in accord with the requirement of the law.
6. The General Statutes also require that zoning shall represent a comprehensive plan. Therefore, petitions for zoning changes shall explain how proposed changes would generally flow and be in harmony with the Town's existing comprehensive zoning plan.

7. Listed below are other statutory purposes of zoning which must be considered whenever zoning amendments are proposed. Petitions shall explain how the proposed changes would further any of these zoning purposes.
