

2020 Power Washing

The schedule is subject to change, and is weather dependent. Please confirm with the Dockmasters ahead of time and check the schedule regularly for updates. Any changes made after the initial posting will appear in RED.

Boat Bottom Pressure Washing, as mandated by the State DEEP, requires all waste water to be collected and disposed of properly. The Town has implemented a system at Grass Island, Cos Cob, and Greenwich Point Marinas to comply with the State Consent Order. Town fine for power washing boat bottom without permit is \$500.00

DOCKMASTERS DO NOT SCHEDULE HAULINGS. VESSEL OWNERS MUST CONTACT VESSEL HAULERS AND ARRANGE FOR SERVICES. Sal Gugliara at (917) 559-2827, Jack Schupp at (203) 496-0226, and Brett Sullivan at (203) 554-7294 are Town permitted vendors. Contact the Dockmaster once arrangements with any hauler has been made.

All boat owners with stands must be present when their boat is being hauled and have their stand heads and blocking ready. If your boat stands were stored on Town property over the summer, 3 days notice prior to hauling is required to have your stands ready.

No concrete blocking is permitted, Blocking/stands must follow Town guidelines.

Sails must be removed prior to haul out.
