

2023 Power Washing

The schedule is subject to change and is weather dependent. Please confirm with the Dockmasters ahead of time and check the schedule regularly for updates. Any changes made after the initial posting will appear in RED.

Boat Bottom Pressure Washing, as mandated by the State DEEP, requires all waste water to be collected and disposed of properly. The Town has implemented a system at Grass Island, Cos Cob, and Greenwich Point Marinas to comply with the State Consent Order. Town fine for power washing boat bottom without permit is \$500.

DOCKMASTERS DO NOT SCHEDULE HAULINGS. VESSEL OWNERS MUST CONTACT APPROVED MARINE VENDORS FOR HAULING AND ARRANGE FOR SERVICES. Sal Gugliara at 917-559-2827 and Jack Schupp at 203-496-0226 are Town permitted vendors. Contact the Dockmaster once arrangements with any hauler has been made.

All boat owners with stands must be present when their boat is being hauled and have their stand heads and blocking ready. If your boat stands were stored on Town property over the summer, 3 days notice prior to hauling is required to have your stands ready.

No concrete blocking is permitted, Blocking/stands must follow Town guidelines.

Sails must be removed prior to haul out.

Power washing \$3.75/ft.
